Chris

The ELPOI would like to take a moment to thank you for your support in 2016-17 by having purchased two sponsorship positions on the ELPOI web page. Your funds supported water testing, member communications the web camera and many other items related to the mission of the ELPOI. On average there are some 600 page loads every month, with an opportunity for your, and our other sponsors business card to be visible at the top of each of these pages. These page loads are from local, regional and some very distant international viewers.

At the moment there are 2 sponsorship listings for you on the web, per Michael's recent update these are now both the same, is this correct or should he have left the one about being a "third generation marine..." ?

In the past one of these listing was comped to you as a result of your generous support of off setting the costs associated with providing food, beverages, and place settings for the annual picnic.

As we transition into the 2017-18 fiscal year we (the ELPOI) would like to offer/ask you for the same arrangements for the coming year, one sponsor listing comped and ask that you consider continuing your support for the second by checking the business membership box on the recently distributed ELPOI 2017 membership renewal form and returning it with a check for \$95.00. The cost is reduced since the comped sponsor listing already includes the \$25.00 associated with member dues.

links for the 2017/8 membership form and sponsor page information are below. Please advise me if there are any corrections that need to be made to the sponsor page listing.

Thank you from the ELPOI Officers and Board for your support, hope you get to enjoy time on the lake this summer!
