Subject: Draft UMP
To: Chris Hyde <cdhyde1@gmail.com>

Chris,

Under the following cover note, I have submitted my comments, which were just sent to you separately, directly to DEC Commissioner Basil Seggos using the e-mail link for him provided at the DEC web site.

Floyd

Dear Commissioner Seggos:

My wife and I became aware of the Hammond Pond Wild Forest - Draft Unit Management Plan (Draft UMP) when we read an article on-line on suncommunitynews.com (The Times of Ti on-line). The article was posted on January 10, 2019. We found it, quite by accident, on January 11, 2019. By that time the public hearing had been held and the comment period on the Draft UMP was closed. We had seen no prior notice of the Draft UMP, the comment period, the public hearing, or any other opportunity to learn about and respond to this plan.

The Draft UMP proposes changes to the boat launch at Eagle Lake that will seriously degrade or eliminate boat access for some properties on the lake, including the property that my wife, Susan G. Barwig, and I own on the north shore of the lake. Notification of the proposed changes has been woefully inadequate. Moreover, the analysis underlying the proposed changes is slim to non-existent or seriously flawed.

I respectfully request that you direct your staff to reopen the record on this particular issue and accept the following comments.

Sincerely,

Floyd E. Barwig
