Subject: RE: Gooseneck Water

Wondering if possible we can notify members of potential Gooseneck Water meeting the week of August 17th ?

“The Town of Ticonderoga with the engineers are planning to hold a meeting the week of August 17th to update users of the Gooseneck Water system. Because of Covid 19 guidelines, the meetings will be restricted to a maximum allowable attendees currently set at 50. It is planned that a special meeting will be held just for those users along Eagle Lake (west of Harris Point Way). If you have any questions, please contact Steve Meier at either:
