Carlos

As the ELPOI closes its fiscal books for 2022 this June 30th, we would like to once again say thank you for this past years contribution of paying for the hosting of the Eagle Lake website at eaglelake1.org. Based on the monthly stats reporter, our site continues month after month to attract some 800 plus page viewers, they are looking for all maters of information and come in from all parts of the globe. We assume, but are not able to track, that not only are the page lookers coming from far and wide but are hopeful that our local residents find value in the information posted.

At this time I would like to ask if you would consider supporting the ELPOI in 2022-2023 by continuing to pay for the web page hosting. In exchange for this we would like to offer you a complementary dues membership for your property.

Please reply with a Yes or No and any other comments prior to July 9th our annual meeting date. If we hear back by this date we can give recognition for this contribution at the annual meeting.

Hoping to see you at the lake this summer. wishing you and your family all the best.

Rolf Tiedemann
ELPOI Treasurer
