Jim,

Just a quick note of appreciation and to let you know the donation check in the amount of \$750.00 was received over the weekend. The donation is much appreciated and as mentioned will be used to off set the costs associated with CSLAP and in house fecal water testing.

Past water test data can be found using this link [Water Quality Reports | ELPOI](#)

Images associated with past water testing can be found here [2021 Water Testing Photos Page | ELPOI](#)

feel free to use this information in any of your newsletters or as support for this donation.

Thanks again for your patience in working with me to sort out what numbers we had in error for getting this processed.

Thanks to you and all of the Sylvamo employees for all that you do for us and the rest of the community.

On behalf of the ELPOI Officers, Members and Lake Residents.

Rolf Tiedemann
Treasurer
