Carlos,

Great talking to you and getting somewhat caught up. We are looking forward to seeing you this summer.

As mentioned thank you for starting the website and paying for its hosting for the past 25 plus years. As you mentioned, the historic pictures have brought a lot of interest from the community. It was nice to hear that you are willing to continue to support the cost for the web for the 2024-25 year. In exchange for this the ELPOI will once again comp your membership dues.

What started with just a few historical files has morphed into a filing cabinet that has several 100,000 plus files, images, documents and links. with more then a few being shared with others over those 25 years. Having them stored in one location has been nice.

As I transition my duties of treasure to Susan Clark I'm including her and the other officers in a cc of this letter so that they can continue to work with you, if there is interest, in future years.

Again thanks for the 25 plus years of support. see you in a few months.

Rolf
