Brenda

great talking with you.

sorry to hear that you did not get a copy of this newsletter- please let me know that you get this- if I don't hear from you in a day or so I will try to reach you by a different method.

again thanks for the past years as a sponsor-it has been a pleasure on my part working with you. The funds you provided have been used for water testing, member communications, web camera support and many other issues that support the communities enjoyment of the lake. We are looking forward to working with you in the coming year. as mentioned I will be sharing all of the past art work for sponsorship listings with whoever takes on that responsibility and will work with them to make any corrections you need for this coming year.

Sponsorship renewal remains the same at \$120 and for you includes the Associate membership, with as mentioned, an association with my property as that was convenient to set up initially. please look in the newsletter for the renewal and complete and either send a check to ELPOI @ Keith Parks address or bring it with you to the annual meeting on July 13th if it fits your schedule.

Thanks again for your support, have a great 4th week and I hope to see you on the lake this summer.

Rolf
