Dear Carol,

I would appreciate your acting as chairman(person) of the nominating committee, again this year!

As Esther Herbst last fall agreed to be President this year, I think that the worst chore is over. By this same mail I am writing her to confirm this. I question whether Mary should be Secretary, as she hasn't yet written up the minutes of last year's meetings! I threatened Pete Buechner with an audit if he refused to be Treasurer again, and haven't heard from him. Silence, in this case, will be considered consent!

Jane and I will be up on the 27th - a week from today, but we have to go back again on the 7th. I will have to make a special trip up for the annual meeting on the 21st, unless I am smart enough to rearrange my schedules properly. The real problem is that Jane has taken up the managership of our Republican candidate for Sheriff, and will probably go into a primary fight for the Conservative endorsement, so that will be lots of fun!

We had a short, but great, time with the Hinders. We will not bring our slides up until the week before Labor Day, as then our children will be there, and we can have a big blast over at the Electric house and see most of them - (I have enough of Australia and New Zealand for a three hour show, to which I would subject no one!)

See you next week!

Sincerely,

Dear Esther,

In a moment of weakness last fall you agreed to become President of the E.L.P.O.A., this coming year. I hope 1) that you remember, and 2) that you will continue to agree.

I have asked Carol Harris to chair the nominating committee, so I would sincerely appreciate it if you would let her know of your agreement, and also so that you and she can work on the person you would like to be Vice President. I have already asked Pete Buechner to continue as Treasurer by threatening him with an audit if he refuses. As he has not yet answered, I am taking his silence as consent.

I understand that the annual meeting will be the 21st of July. Jane and I will be coming up a week from today, the 27th, but will only be able to stay until the 7th, this year. Then I will have to come back for the Annual Meeting, unless I can be smarter about my schedule.

If you are going to be up at the Lake during that week, you might want to call me at 597-3344, if you have any questions.

Thanks again!

Sincerely,

Dear Pete,

I thought that it was best to send you the up-to-date mailing labels than to have me reproduce the cards, as I do not have the facilities.

The fact that there are some labels missing on the top and bottom does not signify that there are names missing. They just don't take well on the typewriter.

I have gone over the names with Betty Davis, and you will find some new ones. These are the people who have sold/bought houses in the area, as follows:

- Aldrich is replaced by Dickson
- deZalia replaced by Moran - runs the antique shop across from Geisel's.
- Holroyd added - runs the Lark
- Ruck just got married - added "& Mrs."
- Scuderi replaced by Ploski
- Mrs. Lape added - apparently she owns by Wickes somewhere
- Mrs. Fowler was Ann(e) Wickes and owns property
- Mr. Bertrand is new, and I don't know where he owns.

I will make up a new address sheet for you and send it off in a few days, but I wanted to get this to you as soon as possible.

Also I am enclosing one extra for Ed Thomson, as he is now at the lake.

Sincerely,
