R. vs Newton
Dear Mr Runge:-

Your kind note of 2d inst just at hand. Regarding the remittance sent Luthy for the expenses of your father's case ~~law~~ by the Amer W & S Co I note that you have requested Luthy to send the check for \$20 to me & that if sent to you, you would forward same to me.

yo, as chd had to be indorsed Eagle L. Poassen or Ed Luthy.

A letter from Luthy just recd states he has deposited same in the funds of the Assn. from whence they cannot emerge until some far off meeting of the Assn. I have just written him that as the Assn is not connected with your suit, that he has no right to appropriate the Company's money for Assn purposes when their letter to him of which they sent me a copy, expressly stated that the check was for the purpose of this suit. I directed Luthy, if any further contributions came to him to indorse same to your father or to me as his attorney.

he misled them by heading his letter Eagle L. Poassen

not info suit name K is in name of Poassen

did not since that a bit what to think towards a fee

needs this if on so advise me

I have answered your questions in my letter of Nov 3.14 Mr Luthy says that Mr Fitzgerald has just sent you \$10 which he promised me towards my fee and I trust that you will send same to me upon receipt of same.

W.S.
The letter above referred to which first clause to have written me, now came to hand. above letter indorsed for Runge & sent to my former clients (copy herewith).
Hastily yours,
Peter Falint
