P. O. Box 232

Dear Mr. Luthy:

Your letter of Feb. 8 to our Mr. C. W. Greene is received in his absence.

Since the conduct of the program requires apparently further acquiescence from other club members, it would seem wise to defer further comment on the experiment until Mr. Greene's return early in March. We will hold the matter in abeyance then until we get the reaction from your club members and until Mr. Greene's return.

Sincerely yours,
