 suits: Am I  
 and that.

Dear Sutter: "Waterways" showed me a funny  
 letter from Com. Jud. Moore. Did Inland Waters  
 which says that our complaint is a very small  
 matter anyway; that the dam is not more  
 than 10 feet long by 5 feet high anyway!  
 That dam stands on private land & that  
 the owner has removed it and had a  
 right-lead go. That's good "Dummy Crates"  
 doctrine I think. So Moore has written  
 200 words as a "joke" in answer to my  
 article of protest in Waterways. The Editor  
 tipped me off as soon as he got the letter  
 from Moore: "now; what you think" as my  
 "low Dutch" daddy used to say. This belittling  
 of our trouble, don't help Moore. We must strike  
 hard pretty soon for it.
