I'll try to carve out some time tomorrow or Friday to take a look at the details.

IP sent the check for the IP grant to my Roch address- it arrived after mail forwarding for me for the summer ended and few weeks before I arrived home- so it had been sitting for a while.

attached are images of the enclosed papers that accompanied the check- you will need to acknowledge receipt of the check as indicated on the one letter.

they are also asking for a press release that announces the receipt and benefits of the IP grant- if you or Jack can write something up, and ask Steve Phelps if he can post it to facebook with a copy to me . I can then follow up with an email it to all residents.

Jack perhaps you want to include a few thoughts about our fall beaver activities and other summer activities for the benefit of residents

I will take care of making the deposit of the check into our ELPOI account.

If the paperwork for the end of year "impact report" comes to me I will forward it to you for completion.

thanks again for completing this task for us

Rolf
