Donna- good talking with you today- per our conversation attached below are the copies of the past donation request as well as the W-9 statement- Just FYI so that this request is not duplicated our Secretary, Ed Leahy, sent this same request back in November of 2022 and got the reply from Sylvamo that any requests for funds would be considered in late Feb to Mid March. Thank you for letting the ELPOI bring this request to you again at this time.

Please let me know if there is anything else that you need from us to consider this donation request.
