Hi Chris & Debbie!

I wanted to send the ELPOI officers some positive feedback- I'm running an environmental science program and the kids are working on a project about lakes, ponds, & streams they ended up on the Eagle Lake website... They thought I should let you know that we were using it as a resource, and found some great information so thank you 😊 We checked out the photo albums - the lake looks beautiful!!

They also decided it would be nice of us to return the favor, so I had them pick out another educational page for us to share with you!

Lake Friendly Living Tips -- [www.siyachts.com/lake-friendly-living-tips](http://www.siyachts.com/lake-friendly-living-tips)

It has great tips on lake friendly living.. We learned a lot from it, so they thought it'd be a good addition to the 'Environmental Issues' section of the ELPOI site [ [eaglelake1.org/html/banner/environmental\\_issues.shtml](http://eaglelake1.org/html/banner/environmental_issues.shtml) ]. I'm sure you're busy but do you think you'd be able to include it there for me? They'd be so proud and I'd love to show them their suggestion 😊 I could show them next time! Thank you so much again and have a good day!!

Best,

Ms. Hall and Allie, Corinna, Jessa, and Grayson
