RE: Management of Aquatic Vegetation
Locustville Pond, Hope Valley, RI

The Locustville Pond Association has obtained a permit from the Rhode Island Department of Environmental Management to control aquatic vegetation in Locustville Pond during the 2008 season. Lycott Environmental will be conducting treatments at Locustville Pond during the summer months. However, before these treatments can be undertaken the State requires authorization from you.

Would you please sign a copy of this letter with your address and print your name so that we may submit this Memorandum to the State which will enable the treatment of the aquatic plants during this season.

If you have any questions, please feel free to contact Lycott Environmental, Inc.
